My Dear Lared one, In answer  
to your sweet letter, will say I was  
extremely glad to hear from you,  
In response about those pictures  
I will send the balance of them to  
the one I love more than anyone  
I know, but whether she loves me  
I cannot tell, say Sweet Heart you  
did not answer my last letter  
exactly like I wish you had answered  
it, I know you must be having a  
good time where you are, I guess you  
enjoy your self as well or better  
than if you were in Ark,  
Those pictures were not really of you said  
they were, but I say they are not,
